About The Profit Happens Here... Series

The *Profit Happens Here...* series is the result of codifying the experiences of our senior consultants into modules that can help our clients grow, change and train their teams more effectively. These modules are delivered in a variety of formats including books, training classes, one-on-one coaching, speaking topics, etc.

We are constantly adding new modules and enhancing existing ones based on feedback, client projects, changing industry conditions and input from new team members. Current modules include:

Construction Documentation Overview	Construction Financial Basics
Schedule Management	Integrating Accounting and Operations
Pre-Planning	Construction Financials (Advanced)
Impacted Productivity	Work-In-Progress Management
Production Tracking	Process Documentation
Customer Service and the Project Team	Implementing a Project Management System
Change Orders	Organizational Planning
Talent – “People Processes”	Valuation of a Contracting Business
Profit Dynamics	Indirect Cost Management
Cash Flow and the Project Team	Opportunities and Challenges of Growth
Priorities – Time Management and Projects	Marketing Strategies for Contractors
General Project Management Overview	Construction Software Selection
Keeping Your Project On-Track	Implementing Accounting Software
Effective Project Review Meetings

About The Author

DAVID BROWN is the Founder and President of D. Brown Management. Beginning his construction career in 1988 as an electrician, Dave quickly worked his way up the ranks to foreman, superintendent, and project manager before moving to executive management. In addition to managing client projects nationwide he frequently speaks to groups such as CFMA, Electric West, the Engineering & Utility Contractors Association (EUCA), and the Western Electrical Contractors Association (WECA) about how to increase profitability. Recent speaking engagements have addressed integrating accounting and operations, production tracking, change order management, construction technology, and cash flow.

CONSTRUCTION EXPERIENCE: Includes commercial, residential, industrial, underground construction, airports, telecommunications and traffic operations systems for private, public, federal and military owners.
